Brand New Book ***** Print on Demand *****.HABITS OF THE RICH WEALTHY Carlos Slim Helu Bill Gates Amancio Ortega Warren Buffett Larry Ellison What do these men have in common? Bad Hair? Yes! But not the reason I put their names together. No, in fact, these men all share something else far more substantial in common. Money. These men hold the top five spots on the 2013 Forbes Billionaires List. That means that these individuals are the five wealthiest men in the world (at the time of this writing). How much does that equate too? A whopping two hundred and ninety-three BILLION dollars (\$293,000,000,000) in combined assets. Or enough money to buy, well, just about anything! Which brings us to the most important question of: How did they do it? Are they lucky? Are their successes a fluke? Does God just like them more? Perhaps. but I personally tend to believe there's FAR more to it than simply things completely out of our control. This is both a cursing and a blessing. A blessing because, if the reasons behind their successes are physical and mental traits (or habits), then...
