BH Books, 2017. Paperback. Condition: New. Language: English . Brand New Book. In a world where women can unfriend each other with the swipe of a finger, how do we find friendships that we can trust to last? Maybe by first becoming those kinds of lasting friends ourselves. As the community manager at the website [encourage.me](#) since 2010, Lisa-Jo Baker has had the chance to engage hundreds of conversations with women about friendship. She's learned that no one can make us quite as unsure about ourselves as another woman. And nothing can wound as deeply as unkind words from a friend. While we are all hungry for friendship, it's the fear of feeling awkward and being rejected, left out, or hurt (again) that often keep us from connecting. But what if we knew we could never be unfriended? Would we risk friendship then? Starting with that guarantee from the most faithful friend who ever lived--Jesus--this book is a step-by-step guide to friendships you can trust. It answers the questions that lurk under the surface of every friendship--What are we afraid of? What can't we change? What can we change? And where do we start?--with personal stories and practical tips to help you make the friends, and be the friend, that lasts.
