Orion Publishing Co. Hardback. Book Condition: new. BRAND NEW, Mail Obsession: A Journey Round Britain by Postcode, Mark Mason, Each of the United Kingdom's 124 postcode areas has a story to tell, an unexpected nugget to dust off and treasure. NG (NOTTINGHAM) Batman's home city of Gotham is named after a Nottinghamshire village NR (NORWICH) Some of the earliest human footprints were found on a beach in Norfolk AB (ABERDEEN) The left leg of Scottish hero William Wallace is buried in St Machar's Cathedral CR (CROYDON) The name Croydon means 'valley of the crocuses' DN (DONCASTER) Michael Jackson's 'Thriller' was written by a Cleethorpes man called Rodney Mark Mason has embarked on a tour of the country, immersing himself in Britain's history on a roundabout journey from AB to ZE. On the lookout for interesting place names and unusual monuments, along the way he discovers what the Queen keeps in her handbag, why the Jack Russell has a white coat and how Jimi Hendrix got confused by the M1. He visits the Harrogate hotel where Agatha Christie hid for eleven days, a bungalow in Kent that can't get a mobile phone signal because of the Second World War, and the grave of a Scottish duke whose legs had to be cut off so he could fit in his coffin. At the same time Mason paints an affectionate portrait of Britain in the 21st century, from aggressive seagulls in Blackpool to 'seasoned' drinkers in Surrey. And his travels offer the perfect opportunity to delve into the history of the Royal Mail, complete with pillar boxes, posties and Penny Reds - plus Oscar Wilde's unconventional method of posting a letter. A charming mix of fact, anecdote and overheard conversation, Mail Obsession pays homage to Britain's wonderful past and its curious present.
