*Includes pictures *Includes contemporary accounts *Includes online resources and a bibliography for further reading At a time in antiquity when most of Europe was covered with forests and wandering tribes, Mexico had already developed complex civilizations, beginning with the Olmecs and followed by the Maya, a civilization with advanced knowledge of medicine, engineering and astronomy. The Maya calculated the precession of the equinoxes and cycles of the Pleiades, on which they based their year, since they believed they had come from that constellation. The last, and perhaps most famous, great civilization before the arrival of the Europeans was the Aztecs. With so many ancient peoples whose influence, beliefs, and modifications to the landscape extend to the present day, Mexico is fertile land for legends, ghosts, surprising places, and mysteries. A belief in communing with things that lie beyond (stars, constellations, and life after death), mysticism, and apparitions are intimately woven into the colorful fabric of the Mexican nation, to the point that a metaphysical event (the apparition of the Virgin of Guadalupe) is considered by many as one of the founding elements of the nation. Our Lady of Guadalupe has an eerie counterpart, another woman who appeared around the same time: La Llorona, the weeping woman. If the content of the former vision is loving and conciliatory, the latter is full of regret and agony. La Llorona is just the first of a long procession of even less benign ghosts. For many years, human sacrifices and endless cruelties were committed in present-day Mexico City. People across the country believe that a legion of ghostly voices-if one believes in ghosts as a byproduct of repetition, remembrance and re-experience of tragic memories-can still..
