The Human Aura is, according to New Age beliefs, a colored emanation said to shrouds the human body. In some esoteric positions, the aura is described as a subtle body. The above question is frequently asked by the student of occultism by someone who has heard the term but who is unfamiliar with its meaning. Simple as the question may seem, it is by no means easy to answer it, plainly and clearly in a few words, unless the hearer already has a general acquaintance with the subject of occult science. Let us commence at the beginning, and consider the question from the point of view of the person who has just heard the term for the first time. The dictionaries define the word aura as: Any subtle, invisible emanation or exhalation. The English authorities, as a rule, attribute the origin of the word to a Latin term meaning air, but the Hindu authorities insist that...
