NIETZSCHE FOR BEGINNERS

For Beginners, United States, 2007. Paperback. Book Condition: New. Patrick Boussignac (illustrator). Reprint. 226 x 152 mm. Language: English . Brand New Book. The unorthodox life and ideas of Friedrich Nietzsche come alive in this documentary history. Here is a clear picture of the time in which this revolutionary philosopher lived and worked. We meet the luminaries of the age: Richard Wagner, Bismark, Freud and Darwin. We learn of Nietzsche s famous love affairs, his theories of the Superman, the Antichrist and nihilism, as well as his impact on Twentieth Century thinking. And we see how the Nazi s annexed and deformed Nietzsche s thought to serve their purposes. Nietzsche For Beginners is an important introduction to modern philosophy. Plato, Kant, Hegel and Schopenhaur are all evaluated in light of their influence on Nietzsche s work. Discover why this great thinker defiantly declared, God is Dead.
