Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Ninth Report of the Bureau of Archives for the Province of Ontario This volume, third in the series, brings down the publication of the Journals of the Legislative Assembly of Upper Canada to the month of April, 1818. The ms. For the succeeding volume is now in the printer s hands, and may be expected this year; and, next year, it is hoped the series will be completed. There will still remain to be published a volume of the Journals of the Legislative Council of Upper Canada, the first having been issued in 1910. The Journals of the Legislative Assembly and those of the Legislative Council are complementary of each other; both are necessary to implement the record, and either would be incomplete without the other. As in preceding volumes, a literal reproduction of the original record is here given. No editorial liberties have been taken with the ms. But the text will be found fairly free from typographical errors. It will be noticed that the Journals for the years 1814 and 1815 are not included, the reason being that for these years the records are amissing.
