BookBaby, 2018. Paperback. Condition: New. Language: English . Brand New Book. Elected president for his entertainment value, Buckeye keeps the spotlight on the White House. When his Russian cronies propose building a dam across the Bering Strait to reverse global warming, he agrees to champion the collaborative project in exchange for choice seats at Moscow s Bolshoi Ballet.Creating the dam is simple--and ominous. Just tap volcanic matter by super fracking deep beneath the sea floor, chill the magma into a wall across the Strait, and ignore the seismic shudders.The Alaska boom town at the Bering Build lures a jumble of opportunists including the madam of a time-share brothel, an old-school bookie from Prague, the first bitch on a globe-trotting TV reality show, and a dysfunctional polar bear. Buckeye s Ballet is satire, farce, and whimsical science fiction cast with quirky comic characters who spoof the world leaders petty agendas.
