THE BOOK OF MASTERPLAN (PAPERBACK)

Sonhill Publishing LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. THE BOOK OF MASTERPLAN is one of the ten book series belonging to a strategy book collection called Sonhill Success Mastery(TM). These books are written based proven strategy principles and rules that are directly from the famous Sun Tzu s The Art of War. In this series, you will learn how to do two things well. First, you learn how to develop a realistic strategic masterplan that will define your core values in business and your true purpose in life, who you really are as an individual, what competing industry you should be in, what leadership and decisionmaking skills you need to have and continue to develop, how you should deal and cope with the force of time and changing trends of your competing industry, and finally what competing methods and managing systems you need to adopt and bring into your organization in order to help you become more effective with your decisions, competitive with your actions, and productive with your performance. Second, you learn how to establish your unique strategic position in your competing industry and build your place in this world based on your strategic masterplan, starting from where you are now situationally and conditionally. Once you have your masterplan in place and understand your unique strategic position in your competing industry, success is simply a matter of making your masterplan work and advance your strategic position from where it is now to where you want it to be in the future. This is where other nine book series of Sonhill Success Mastery(TM) collection will fulfill their role. As Series One, this book will give you many distinctive ideas and practical strategy tools which you need in order to immediately...
