To avoid adding a number of new elements, this u medial is represented by a short straight line written at right angles to the beginning of the initial symbol, as shown in the fifteen initials under u medial of the list. Three exceptions are also to be noted: --eh of yeh is written like ieh final; en of yen is written like ien final; rh of irh is wruteu like ih final. A list of eleven complete words has also been printed below, though they have been previously given as initials or finals simply. A word as to reading and writing the system. As a mnemonic aid to the foreign learner, the English equivalents for each symbol have, in most cases, been so written as to imiiate the symbol in some part; e.g., the first stroke in...
