Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When a tormented man s dysfunctional life completely unravels, finding God becomes his curse rather than his cure. Soon he s unable to discern between reality and illusion, between the Will of God and his own dark desires. For just as Abraham before him, God commands the unthinkable. A Lion for Lambs plumps the horrifying depths of a mind enraptured by the Will of God. Lunacy or terrible reality, his horrifying journey will have you questioning the very essence of faith, and asking yourself; What if I heard His voice? What if He asked me to taste of that truly forbidden fruit? Would I listen? Would I obey? Or would I drown the voices with pills and bind them with straightjackets?.
