MASTERING SOFTWARE QUALITY ASSURANCE

JROSS/Cengage Learning India, 2011. Softcover. Book Condition: New. First edition. Covers every aspect of software quality assurance, quality control, and the measurement of software quality, and includes best practices, valuable tools and techniques for software developers. Tackles the quality of specifications, design, construction and conformance as applicable to software development organizations from both the micro and macro view. Offers unique insights into achieving quality at the component level and explores process quality from the standpoint of implementation rather than from...

Reviews

This publication is wonderful. It normally is not going to expense too much. Its been printed in an extremely straightforward way in fact it is merely following i finished reading this publication where actually transformed me, modify the way i really believe.

-- **Russell Adams DDS**

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

-- **Dr. Sarai Fisher DDS**

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
