## KIEV: BLOOD ON THE BALL (PAPERBACK)

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Once upon a time back in Nazi occupied Ukraine, in the summer of 1942, a football game took place the likes never witnessed either before or since. It was a contest between Dynamo Kiev and their German overseers. One where the prize for victory was no medal or trophy. Just death by firing squad. And yet the Ukrainians of Kiev still played to win? Kiev: Blood on the Ball is a novel based on this fascinating and uplifting tale. When eleven men made the choice of death and honour over capitulation and whom refused to back down in the face of such overwhelming odds. That rare time when football was actually more important than life and death. Where all that mattered was to win, despite then being forced to pay the ultimate price of too much blood on the ball.
