Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Mayor s Court of London Procedure Act, 1857: With Notes; And an Outline of the Practice Thereof; Forms of Procedure and Table of Costs; Second Edition, Greatly Enlarged The object of this little work is twofold - to supply a want in the profession of a guide to this important court, and to endeavour, if possible, to draw attention to the ancient rights and privileges of the city, that the silent encroachments of time and envy may be swept away, and the court restored to its former state of usefulness. After centuries of attempting complete centralization, even in the face of the increased facilities afforded by railway communication, the country is finding out the greater virtues of localization, so well understood by our ancestors; and the object of modern legislation would seem to be to give speedy and cheap relief to suitors in the very presence of their neighbours, so that the administration of such relief may have a valuable effect upon those who might otherwise venture to do wrong unto others. There is a talk, and it will probably be a long one, of establishing throughout the country Courts of First Instance.
