Rowman & Littlefield. Paperback. Book Condition: new. BRAND NEW, The Theory of Twenty One, Chuck Reaves, According to the theory of 21, there are twenty people who will say no for every person who says yes. The secret to success in business is finding the 21st person, the individual who is open to ideas and innovation and who makes abstract ideas become reality. This book helps you identify the twenties--those who dislike change and fear risk--and teaches you how to elude them and to persevere despite their repeated assurances that whatever you're trying to do won't work.
