Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This Book Includes 2 Manuscripts How To Analyze PeopleBecome A Master In Reading Anyone Instantly If there s a single most important skill you can pick up in today s globally connected and technically savvy world, it s the ability to analyze people. How do you determine a good fit for your organization while interviewing potential hires? How do you approach strangers? How about a crush or potential date? How do you build a stunning rapport with clients by diving into their head? Learning to read other people gives you a definite edge in terms of predicting behavior, modeling your actions to build a favorable rapport with people, forging more fulfilling personal relationships and excelling at building professional relationships. No, I am not suggesting you switch careers to be an FBI agent. However, it doesn t hurt to possess their sharp people analyzing acumen, does it? Some people unwittingly emanate signals that make them stand out as soft targets; others give out way too many aggressive signals for their own good. Being aware of your verbal and non-verbal communication patterns keep in greater control of conveying the intended things to people, and avoid any potential misunderstandings or conflicts. The ability to analyze people impacts your relationship with them. When you develop a greater understanding of how someone feels or tailor your message/communication pattern to make sure it is received as intended. Learning about reading and analyzing people helps you understand what clues you should be watching out for a while communicating with people. What are the things you should be carefully listening to? What are the typical signs that indicate how someone thinks or feels? How can you spot when...
