Voted Top in 100 Books for Children The Water-Babies, A Fairy Tale for a Land Baby is a childrens novel by the Reverend Charles Kingsley. Written in 186263 as a serial for Macmillans Magazine, it was first published in its entirety in 1863. It was written as part satire in support of Charles Darwins The Origin of Species. The book was extremely popular in England, and was a mainstay of British childrens literature for many decades, but eventually fell out of favour in part due to its prejudices against Irish, Jews, Americans, and the poor. The protagonist is Tom, a young chimney sweep, who falls into a river after encountering an upper-class girl named Ellie and being chased out of her house. There he drowns and is transformed into a water baby, as he is told by a caddisflyan insect that sheds its skinand begins his moral education. The story is thematically concerned with Christian redemption, though Kingsley also uses the book to argue that England treats its poor badly, and to question child labour, among other themes. Tom embarks...
