 A Case Study of Two Organizations in the Middle East

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | A Case Study of Two Organizations in the Middle East | This study is positioned within the general field of comparative management studies and international human resources studies. It specifically addresses the issue of the impact of particular worldviews and thought systems on management thinking and organizational behaviour. Through an empirical research in two selected organizations in the Middle East, the study explores the possible implications of the Islamic worldview on management...
