It evaluates various reasons for M and A, post merger integration problems and impact of merger and acquisition on employees in the context of CBoP and HDFC bank merger. The first objective aims at exploring the implications of the merger for the shareholders. Second objective aims at studying the impact of merger on employees. The third objective aims at identifying the post-merger integration problems and issues for bank management. Only those branches, which merged after HDFC-CBoP merger, were considered for the survey.
