Pan MacMillan, United Kingdom, 2014. Paperback. Condition: New. Main market ed.. Language: English . Brand New Book. If you could see your future with someone . . . would you? Meet Evelyn and Godfrey. Evelyn is breaking up with her boyfriend, Adrian, as she's seen their dismal future together at Dr Chin's office: the life they may have when they are both many years older, singing Happy Birthday to a chihuahua and arguing about cheese. She hopes for more. Meanwhile, Godfrey is proposing to his girlfriend, Midge - who's not quite willing to take that leap. She wants to see their future together first . . . just to be sure they're meant for one another. Then, one day, Evelyn and Godfrey meet - and from that moment their lives become entwined. Sparkling, warm and witty, *The Future for Curious People* is a love story for anyone who's ever wondered if they're with The One, or The One Before Last. This novel combines the writing talents of twenty-seven-year-old newcomer Gregory Sherl, based on an original idea by award-winning author Julianna Baggott.
