

Along New York's Route 20 (Postcard History)

By Till, Michael J.

Arcadia Publishing, 2011. Paperback. Book Condition: New. 0738574341 Few roads can match Route 20's beauty, history, or contribution to New York's vitality. In 1926, Route 20 became a federal highway and evolved into New York's foremost east-west road. But unlike most early highways, it has survived almost completely intact. The story of Route 20 is told through more than 200 vintage postcards showing scenes from the Shaker communities in Columbia County to the Lake Erie Shore. The postcards show the personality of the road: main streets, the Finger Lakes, and scenic vistas. Not to be forgotten are the tourist courts, hotels, diners, and gas stations that made travel possible. About the Author Michael J. Till is a retired university professor. He grew up on Route 20 and has had a lifelong interest in the road. All illustrations are from his personal collection of more than 2,000 vintage Route 20 postcards. 128 pages. New York State Route 20 (N.Y.)--History--Pictorial works, Upstate New York (N.Y.)--History, Local--Pictorial works, Upstate New York (N.Y.)--Social life and customs--Pictorial works.

Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Miss Shannon Hilll V**

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
