Paperback. Book Condition: New. Paperback. 77 pages. Here is a booklet of word trippers. It is an addendum to a similar list in the appendixes of Carolyn Howard-Johnson's multi award-winning book, *The Frugal Editor*. An instructor for UCLA Extensions world-renowned Writers Program, editor, poet, and novelist, Howard-Johnson has included trouble causers she finds most frequently in her clients' copy. This handy booklet is small enough to be tucked into briefcases as a nudge toward better writing, mighty enough to be used as a reference. June Casagrande, author of *Grammar Snobs Are Great Big Meanies* (Penguin) says, "By creating a guide designed specifically to get writers past gatekeepers, Carolyn Howard-Johnson has created something of unmatched value: usage advice that cuts through the contentious world of grammar to offer real help. Writers polishing their manuscripts and query letters will find Howard-Johnson's guide more useful than Strunk and White. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
