AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After successfully completing his 12,000 mile bus ride around America, Shaun Donovan now embarks on his latest and greatest challenge - to circumnavigate the coastline of Australia, again by bus, but also to ride the famous Indian Pacific and Ghan trains from west to east and south to north of this vast continent - A 20,000 kilometre journey which must be completed in less than 50 days. In a compelling story of determination, desperation and in some cases deprivation, read how Shaun and his fiancée, Sally are roasted alive in sizzling heat and stifling humidity, get drowned-out in tropical storms and flash-flooding and survive an onslaught of electrifying lightning bolts, devastating cyclones and bone-shaking earthquakes before their journey is finally at an end. Add to this a lethal concoction of shark, stingray, and snake attacks they stumble upon during their trip and mix it up with crocodile, box jelly-fish, blue-ringed octopus and deadly stone-fish encounters and you've got yourself one hell of a story-line to tell. Like his American voyage of discovery, many things were learned and achieved, but there was also despair as his dreams of scuba diving on the Great Barrier Reef and visiting Ayres Rock were shattered due to weather conditions and personal circumstances, both of which he swears will be done on his return to one of the most diverse and exciting continents on the planet.
