KINGDOM OF CELOSIA: HEARTS ON FIRE AMONGST COLD SHADOWS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The first novel of its series, a fantasy erotica romance, called Kingdom of Celosia: Hearts On Fire Amongst Cold Shadows. Princess Faith faces a life of duty to the Kingdom of Celosia, but she dreams of freedom. She is daily reminded of the burden she will one day carry as she is educated to become a Queen. . The greatest of these reminders is a pendant given to her by her mother which is imbued with magical properties. Matters of the heart also hinder Faith from accepting her role. She is engaged to Prince Merek, but has no feelings for him. She secretly longs for true love, despite the fact that her rank keeps her from loving the man she desires most, the stable-hand Justus. Feeling trapped by the arrangement, there is little she wouldn't consider doing to stop the wedding, but it seems her fate is sealed. On the borders of their land is the Dark Forest, a home for many creatures with elemental powers of untold might. In that realm, the Troll King plots to kill her father and the wolves in his court are on the hunt for her, believing she is easy prey. But Faith is much stronger than they suspect, and against all odds, she sets out to protect those she loves. Armed with her bow, riding on the back of her trusted mount, Ruby, she must confront the forces of evil that threaten to take everything from her and conquer them in the name of Celosia.
