Reviews

Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is actually the finest ebook i actually have read through during my own existence and might be he greatest publication for actually.

(Ms. Vernie Stracke)

EXERCISES IN ENGLISH (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Exercises in English Modern educators have generally reached the following conclusions respecting the study of grammar: 1. That the study of the text-book on the subject, as a means whereby the student can acquire a correct use of the mother-tongue, is a vexation of spirit in its preparation, a weariness of the flesh in its continuance and a lamentable failure in its results. 2. That the presentation of examples of false syntax as a means whereby correct speech can be acquired is at least unprofessional, unproductive of the desired result and possibly dangerous. 3. That as a child learns its forms and methods of speech, whether correct or incorrect, from its home associates and playmates, so the pupil in school should continue to receive the additions to its vocabulary and its forms of speech by a constant systematic use of correct forms; not servilely copied, but originating in the effort to express knowledge already acquired. To aid in the demonstration of this last proposition, the Lessons in Language and the Exercises in English were prepared. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
