Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Balance Sheet of Agriculture, 1948 This is not a balance sheet of farm operators, nor of people living on farms, nor of landlords. Rather it is a balance sheet of the industry viewed as one large enterprise. Unavoidably it includes certain items, such as some of the financial assets of farm people, that are not needed in farming operations. On the other hand, however, financial assets of some landlords who do not live on farms may be included. Numerous investments of farmers, like corporate securities and urban real estate for which no data are available, are purposely excluded. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
